I love, love, love **ANGEL CAKE!** It's the sort of book that you can read over and over again and never get bored of it. I fell in love with Anya and Dan, the moment I heard about them - I felt as though I was there. **ANGEL CAKE** is a book about disappointment, dreams, second chances, angel wings and cupcakes... perfect!

I couldn't put it down, it was amazing! I wish the cafe and cake shop actually

exists... It was fabulous! Please I need more books like it!

OMG I'm Polish and I moved in England a year ago! And I felt exactly the same! I totally love your books! Keep writing lovely books!

Dominika, age 14

I thought that **ANGEL CAKE** was one of your best books... It was charming and had me wrapped around its finger in seconds.

ANGEL CAKE was as yummy and perfect as it sounds. Romance and a pinch of hope and dreams is what makes your books extra special!!!

Hello!

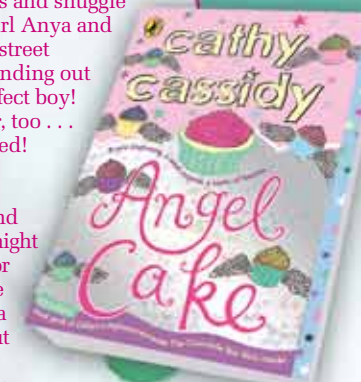

Angel Cake is now out in paperback... yay! Time to break out the cupcakes and snuggle down to read all about Polish girl Anya and Dan, the cool boy she meets on a street corner, wearing angel wings and handing out free cakes. Sounds like everyone's perfect boy! The book was inspired by a real-life reader, too... check it out to read who, and just how it happened!
